

Horse riding camps 2018 at Birdwood Downs Station Kimberley School of Horsemanship

The riding camp

The riding camps are for children from 6 year of age and older with no or limited experience with horse riding. The students will learn how to handle the horses on the ground, put on lead rope, saddle and bridle and elementary care for horses, like feeding and grooming. The lessons teach the students how to mount the horses, walk, trot and eventually canter. We work in our arena and round yard.

The camps start with arrival around 15h00 on the first day of the camp and settle in the accommodation. The first lesson starts at 16h00 on the day of arrival. The second day there is a morning lesson starting at 07h00 and an afternoon lesson starting at 16h00. The third and last day there is a lesson at 07h00. Departure is around 10h00 in the morning.

Taking care of the children outside the lessons and meals

We ask you to arrange for meals and for care of the children outside riding lessons yourself and will be happy to help you organize to share this work between parents of children/students. You can make use of our camp kitchen.
