The lesson frequency is preferably once a week. The duration of a lesson is 1 hour.

Our rides are suitable for all levels of experience. We take a maximum of 6 people on a ride.

We take you through our paddocks with great scenery and the characteristic boab trees.

Savannah Trail Ride:

A one hour ride through the savannah landscape.

Champagne Sunset Ride:

A late afternoon trip to our special Sunset Boab where you can enjoy a glass of bubbly in the Kimberley Sunset. The duration is about one and a half hour.

You have one ride or lesson on the afternoon of arrival and the second ride/lesson the next morning. You can stay on our camp ground or upgrade to the dormitory or a Savannah hut.

For experienced riders we can organize a longer ride, please call to discuss the options.
